## F O R E W O R D

If, fellow-students, forgetfulness  
obliterates the past in the grim  
march of years, we offer this book  
as a link to the golden thread of  
memory that the spirit of youth  
may be rekindled and the rugged  
voyage of life made easier by  
fond recollection of campus  
memories.

## A WORD FROM THE PRESIDENT

SOME OF YOU ARE LEAVING COLLEGE for the last time. You have finished your course so far as SOUTHERN is concerned. However, you are not through. Long stretches of the road lie ahead of you, I hope.

My wishes are, that as you march along this highway you will find much happiness and satisfaction. May your days at Southern help you, give you light and courage. No matter how far this road ahead may take you from the habitat of Southern, I hope that you will never allow your Alma Mater to have any less place in your mind and heart.

Others of you will return to Southern to finish your college education. During the summer you will have many opportunities to tell others about your college. The enrollment for the coming year depends largely on your own attitude toward Southern.

With the co-operation of all our alumni and students, Southern is bound to arrive.

## THE CAMPUS

That long, cool porch where  
we played ping pong in the  
afternoon.

Here poetry and art are com-  
bined in equal proportions.

Waldo's drawing made this  
view famous.

An energetic group of stu-  
dents rushing to class five  
minutes late.

## FOUNDERS' DAY

All decked out in bunting,  
welcome signs and what  
have-you.

Our visitors line up in the  
court and look pretty for the  
cameraman.

"'Twas steadily shoulder to  
shoulder . . ."

Some more visitors—but who's  
that on the stepladder?

## FOUNDERS' DAY

That much-discussed garden.

Another slant on our visitors.

Some visiting celebrities and  
a couple of hard-working (?)  
journalists.

Like bargain day in the city.

## FAMILIAR SIGHTS

Our vice-president's charming young daughter makes her debut in society.

Studying chemistry — believe it or not (ask Dr. Bly).

The most popular spot on the campus between classes.

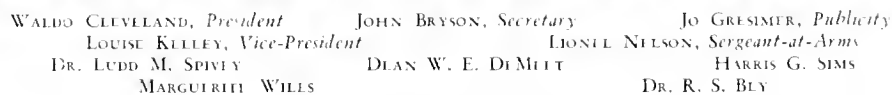

What's wrong with this picture?

## ALPHA PSI OMEGA

### *National Honorary Dramatic Fraternity*

THE DELTA NU CAST of Alpha Psi Omega was organized at Southern College on April 23, 1934, under the supervision of Miss Marguerite Wills, director of dramatics and honorary member of the fraternity. Eleven charter members were initiated in recognition of their high standard of achievement in campus dramatic activities. With this nucleus, it is hoped that the Delta Nu Cast may do its share along with the other ninety-six casts which exist throughout the United States and Canada.

Membership is the highest honor to be earned in dramatics at Southern, and appropriately climaxes work done through the Southern Vagabonds.

## INTERFRATERNITY COUNCIL

THE INTERFRATERNITY COUNCIL, composed of two members from each fraternity, purposes the promotion of a friendly spirit between the groups. It also has jurisdiction over all regulations for "rushing season."

The Pan-Hellenic Council, composed of three members of each sorority, supervises all matters concerning their groups and performs the same functions in general for the women as the Interfraternity Council does for the men.

## FOOTBALL

PAVING THE WAY for an intercollegiate athletic program it was necessary to build a football eleven of the little material available from last season's intramural teams. Most of the small squad to report had never played the game before and much valuable time went to teaching fundamentals. Coupled with this was a too ambitious schedule for a first-year team.

Opening the season, the light Mocs squared off with the Lake Wales Golden Wave under the floodlights on Lakeland's Adair field. Playing a smart game, the Mocs skirted the heavier Wave and pushed over five touchdowns and marked up an extra point to tramp out a 31-6 win. Student-coach Johnny Woodall was well pleased with his charges.

The powerful University of Tampa Spartans entertained the Blue and White eleven and ruled 50-1 odds to crush their little opponents. The Spartans, with three equally strong teams, went to work with a will and did little. At half they held a small 7-0

advantage over a surprisingly scrappy underdog. Two more pounding scores were added after the rest period and Tampa left the field with a hard-fought 21-0 victory. Southern stock rose with this moral win, as the Spartans were destined to become Florida's most powerful secondary-school football machine.

A bit cocky and apparently played out, Southern Trekked to Deland and were badly beaten and crippled by the Stetson Hatters, 73-0. The big Hatters crashed over a score in the opening minute and scored thereafter at will. Stetson was content to use their first squad freely in running up the impressive win. This rout robbed the Mocs of all but twelve able players.

## FOOTBALL

Playing the Florida frosh after a long automobile trip, the weakened Moccasins were again trounced 39-0. Using smart football, the Mocs were a good match for the Baby Gators for a quarter. Tiring fastly, the Blue and White gridders lost excellent opportunities to score and let the frosh slip through for two markers at the half. The Gator march was continued in the second half when intercepted passes spelled the difference between a closely contested tilt and a decisive victory.

Still loyal, Moc fans and alumni turned out for Homecoming to see a rejuvenated team wade into the Rollins "B" team and smash out a 19-0 win over a much surprised Tar.

COACH JOHN WOODALL

## BASKET-BALL

THE MOCCASINS played brilliant basket-ball to gain better than an even break with powerful teams on the West Coast. The Blue and White racked up seven wins to five losses.

Coach Johnny Woodall began the season with a squad of ten players and was able to close the schedule with only five men. Four veterans from last year's Florida Intercollegiate Athletic Association champions were available, however, and a promising squad of freshmen brightened the outlook.

Opening the season, Southern beat the fast Rogers and Middlebrook Independents of Plant City, 36-31. Tampa University, one of Florida's stand-out fives, romped on the Mocs 55-38. A return engagement with these two teams resulted in a second win over the Independents, 41-26, and a second toss to the Tampans, 37-32, in a fast game.

## BASKET-BALL

The Groveland Independents shoved Southern under, 13-10, in the Groveland "shoe-box" court. The Moccasins returned to form with a triumph over Clearwater Independents, 31-21, in a see-saw match which left the outcome always in doubt.

An even break with the St. Petersburg Junior College was sandwiched around a contest with the F. M. I. Generals. St. Pete won an overtime, 32-30, thriller, while the Mocs took the second, 45-14, and went on to beat the Generals, 33-13.

Dropping the next titlt to the Lakeland Sun-kists, 40-21, the Southern cagers finished the season appropriately by upsetting the renowned Sebring Firemen, 25-21, and coasting out 27-13, over the F. M. I. Generals.

Lettermen were: Woodall, Perry Ellis, Milton Little, Eugene Smith, Fred Wilde, Albert Adams, Wallace Gause, Horace Mullen, Bill Mundy, and James Rice.
